

DOD: 3-16-01		ARTHUR J. ROTH , Sole surviving Co-Executor, is Petitioner.	NEEDS/PROBLEMS/COMMENTS:
		Petitioner and Howard W. Roth were appointed as Co-Executors on 10-23-01 with Full IAEA without bond. Howard W. Roth died on 9-10-10.	
	Aff.Sub.Wit.	Petitioner states no inventory and appraisal was filed in this estate. Decedent had no assets that were subject to a probate administration. Decedent's assets were held in a living trust and no probate administration of Decedent's assets was necessary. Prior to Decedent's death, a complaint for breach of contract was filed in Fresno Superior Court as 00CECG10152. Upon their appointment as Co-Executors, the Co-Executors became parties to that action. The primary purpose of opening probate was to defend the lawsuit.	
✓	Verified		
	Inventory	The lawsuit was settled and dismissed on 4-9-03. Payment was made as required from the trust. Petitioner states that through inadvertence, this probate was left open even though there were no assets to probate.

2. *Proof of Service of the Notice of Hearing* filed 6/19/2014 does not show that Attorney Fanucchi as attorney of record in this matter was served notice. Additionally, it appears Petitioners intend by the *Proof of Service* filed 6/19/2014 to indicate the persons listed were personally served; however, the *Proof of Service* form they filed is intended for use with mailed service of notice and does not contain the form and substance of information required to indicate notice given by personal service.
3. Need *Affidavit of Publication* pursuant to Probate Code §§ 8120 – 8124, and Local Rule 7.9.
4. Need *Confidential Supplement to Duties and Liabilities of Personal Representative* form, pursuant to Local Rule 7.10.1 and Probate Code § 8404 to be filed for both of the Petitioners.
5. Item 5(a) of the *Petition* is incomplete as to (3) or (4) re: registered domestic partner, and (7) or (8) re: issue of a predeceased child.

Note: If *Petition* is granted, Court will set status hearings as follows:

- **Wednesday, February 4, 2015 at 9:00 a.m. in Dept. 303** for filing of inventory and appraisal; and
- **Tuesday, November 10, 2015 at 9:00 a.m. in Dept. 303** for filing of the petition for final distribution.

Objection by Wanda Foster filed 7/30/2014 to Petition for Letters of Administration of Laura Hamilton and Carrie L. Jefferson states: Wanda Foster, Objector, is the daughter of the deceased former Administrator and step-daughter of the decedent. She has resided in the decedent's residence at 104 E. Kearney Blvd. since 1976 when the decedent purchased the property during his relationship with objector's mother, Queen Jefferson. Objector has prepared a Petition for Probate requesting to be appointed as successor administrator that will be filed with the court soon (it was previously rejected by the clerk's office for lack of a filing fee). Objector's mother, Queen Jefferson, and the decedent resided in the home together for more than 30 years, along with several of her children, including Objector Wanda Foster. After decedent's death, Queen Jefferson continued to pay the tax bills and mortgage until it was paid off and also maintained the property. Since Mrs. Jefferson's death in December 2013, Objector has continued to pay the utilities, maintain the property, and pay the tax bills. Objector states that Laura Hamilton and Carrie Jefferson are not capable of properly executing the duties of the office of administrator in this estate in that neither of them has taken an active role in the management of the decedent's estate, nor assumed any of the financial obligations in maintaining the decedent's assets. Objector has managed the decedent's primary asset since the death of her mother, the former Administrator. Objector has continued to reside in the home with two of her brothers and has assumed all of the financial obligations of said home.

File 9 - Van Pelt

Page 2

Petitioner provides a list of those interest in the trust and estate of Nancy Van Pelt and Harry Van Pelt whose interests may be affected by this petition, which list includes various charitable entities.

Petitioner alleges that the charitable entities designated in the trust have no interest in any of the property of the trust because Harry Van Pelt revoked the trust prior to his death. They are named in the petition because the trust assets had not been distributed out of the trust at the time of his death.

Petitioner asks the Court for to enter the following orders:

- 1. The TD Ameritrade Accounts xxx467, xxx474, and xxx509 are part of the trust;**
- 2. Rodney Van Pelt as successor trustee of the trust is directed to distribute the three TD Ameritrade accounts to Park Avenue Securities account xxx543;**
- 3. The Park Avenue Securities Account shall be distributed to the beneficiaries designated by Harry Van Pelt in the beneficiary designations for the Park Avenue Securities Account xxx543; and**
- 4. Such further orders as the court deems proper.**

Note: The trust provides at Article II that while both co-trustors are living, either co-trustor may revoke the trust in whole or in part, and upon the death of either co-trustor, this right of revocation may be exercised by the co-trustor acting alone.

Mary E. McAlpine DOD: 4-22-14		JUDITH A. SWENSON and ESTELLE L. HAYES, successor trustees, are petitioners.	NEEDS/PROBLEMS/COMMENTS:
Petitioners state Mary E. McAlpine (DOD 4-22-14) created the Mary E. McAlpine living Trust dated 8-17-09, which names Petitioners as successor trustees.		The trust includes all of the assets described in Schedule A, and at Section 1.03 also states: "I also transfer all my right, title, and interest in and to all of my property that may legally be held in trust and may, by this assignment, be transferred to my trust." Accordingly, the Trustor expressly stated her intent to transfer <u>all</u> asset to the trust. Additionally, the decedent executed an Assignment of Personal property assigning all right, title, and interest in all tangible personal property to herself as trustee of the trust, demonstrating her intent to hold all property in the trust.

Status Report of the Public Administrator filed on 8/28/14 states Senior Probate Assistant Susan Banuelos researched this case and learned that there are not assets in the estate. All assets were marshalled under the decedent's trust.

Therefore, the Public Administrator requests that no further status hearings be set in this matter, and that the Public Administrator be discharged as successor Administrator.

Note: There were assets in this estate see Mr. Hemb's status report filed on 5/6/14. The assets were transferred from the estate to the trust by the former co-executors without court authorization.

Probate Code §9202 requires notice to the Department of Health Care Services and Victim Compensation and Government Claims Board. There is no indication that either agency has been noticed. It appears that both those agencies should be noticed prior to the closing of this estate. If it is found that either of those entities have a claim against the estate, a surcharge petition should be filed against the former co-executors to pay said claims.

If after noticing the Department of Health Care Services and Victim Compensation and Government Claims Board there are no claims against the estate, the court could close the estate and discharge the Public Administrator.

The former co-executors are the only beneficiaries of this estate and would be the only persons harmed by their wrongdoing if no claims are filed by the Department of Health Care Services and Victim Compensation and Government Claims Board.

HELEN MENDOZA, Sister, is Petitioner and requests appointment as Conservator of the Person with medical consent powers and dementia medication and placement powers.

Voting rights affected

Capacity Declaration filed 8-25-14.

Petitioner states the proposed Conservatee suffers from dementia, autism.

Court Investigator Charlotte Bien filed a report on 8-14-14.

NEEDS/PROBLEMS/COMMENTS:

Court Investigator advised rights on 8-12-14.

Voting rights affected – need minute order

Note: Although Petitioner checked box #1k of the petition re dementia powers, the Attachment Requesting Special Orders Re Dementia (GC-313), which states specifically which powers are requested, was not included.

Therefore, it is unclear if Petitioner is requesting both dementia medication and placement powers, or only dementia medication powers.

Also, this means that the proposed Conservatee and relatives were not served with a complete petition re dementia powers.

The Court may require clarification and additional service for what is being requested.

4. Contestant alleges that the "will" was not executed by the decedent and/or attested in the manner and in the form required by law for the due execution of a will.
5. Contestant alleges that on the date of the alleged execution of the "will", decedent lacked the requisite testamentary intent.
6. Contestant alleges that Respondent took unfair advantage of the Decedent; that Respondent arranged for the "witnessing" of the purported will; that the will was not the free and voluntary act of decedent; that the "will" was the product of Respondent's undue influence, duress and/or coercion that it unduly profited the Respondent.
7. Contestant alleges that the underlying agreement is invalid and unenforceable as it is against public policy agreement by its terms and that the agreement is "usurious" and that the express purpose of the loan is contrary to public policy in that it is a gambling related agreement or activity of gambling; and that such agreements are either expressly prohibited by law or are unenforceable as "otherwise contrary to good morals" which is in violation of the public policy of this state.
8. Contestant alleges that if the agreement and/or any provision of the agreement is in furtherance of a gambling related agreement or activity it is expressly and impliedly against public policy and that as such it is unenforceable; that the agreement by its terms is unconscionable and if enforced the Respondent would be unjustly enriched; that the Respondent would reap an undue profit; and that the disposition proposed by the instrument is unnatural.
9. Contestant alleges that the underlying debt was paid by the decedent, further that the note should have been returned to the decedent marked "paid in full"; and that pursuant to law all terms of the note were discharged upon the payment of debt; or in the alternative that the note and all obligations under the agreement were extinguished upon the payment of the underlying obligation.

Objector/Contestant requests that this Court order that:

1. ***The Contest and Grounds of Objection to Probate of Purported Will be allowed and approved as filed;***
2. ***The purported "will" be denied admission to Probate;***
3. ***The Petitioner's petition be denied in its entirety;***
4. ***The petition be dismissed with prejudice;***
5. ***The Contestant be awarded reasonable attorney's fees; and***
6. ***The Contestant be awarded costs of the suit.***

3. Contestant alleges that the document is not and never was decedent's will and was made at the time of its alleged execution as a result of undue influence, fraud and duress to which decedent was subjected to by Respondent in that:
 - a. At the time the purported will was procured, Respondent knew the decedent had recently won one million dollars at an Indian casino. He also knew decedent was in poor health, had a gambling addiction and as a result he placed his trust and confidence in Respondent who took unfair advantage of decedent's state of mind.
 - b. During the same time period, by reason of the relationship of decedent with Respondent, Respondent was able to exert control and influence over the mind and actions of Decedent to such a point that Decedent was no longer capable of exercising his own conviction or desire with regard to his actions or thoughts, but rather, because of the pressure brought on him by Respondent, both by coercion and entreaty, decedent's convictions or desires became the convictions or desires imposed on him by Respondent.
 - c. During this time, while decedent was under duress and Respondent's undue influence, Respondent wrote the contents or and arranged for witnesses to the document submitted for probate to this court by Respondent. At the time the document was allegedly executed, decedent was wholly under the influence of Respondent and the document does not represent the free and voluntary act of decedent.
4. Contestant alleges that the document offered for probate cannot be construed as a conditional will in that:
 - a. The top part of the writing offered for probate is an apparent note for repayment of a gambling debt which on its face is usurious under the law and unenforceable.
 - b. The decedent paid back the debt to Respondent thereby extinguishing the terms of the note and therefore there is no relationship between the top part of the writing and the bottom part of the writing, which was written by the Respondent at a different time unbeknownst to the decedent in order to defraud the decedent and unjustly acquire his gambling winnings.

Contestant requests that the purported will be denied probate, for costs of suit and all other proper relief.

Continued on Page 3

Consolidated Answer of Ian W. Mitchinson to Written Oppositions of Probate of Purported Will filed 03/07/14 states:

1. Respondent denies all of the allegations in both Oppositions other than to admit that the decedent died on 03/28/13 as a resident of Fresno County and that he was never married and had no children.
2. Affirmative defenses are asserted as follows:
 1. Failure to state grounds – the contest and grounds of opposition to probate of the purported will fails to state facts sufficient to grounds of opposition to probate of the will.
 2. Superseding cause – Respondent alleges that the Contestants are barred from any recovery by reason of acts or omissions of Contestants and/or others which acts or omissions constitute an intervening or superseding cause of their disinheritance and lack the standing to inherit, if any there be.
 3. Excuse – Contestants' rights to inherit and any acts or omissions on Contestants' part, if any, are excused by the acts, errors, or omissions and nonperformance of Contestants.
 4. Lack of Relationship – Respondent alleges that there was no relationship whatsoever between decedent and Contestant Noroyan giving rise to standing as an intestate heir.
 5. Lack of Standing – Contestant Noroyan lacks standing to assert any ground of contest to the Petition for Probate.
 6. Vague, Ambiguous, Uncertain, and Lack of Specificity – Contestants' Oppositions and contest of the Petition for Probate and their purported grounds of contest and each of them, are vague, ambiguous, uncertain, and fail to allege adequate specificity required by California law, the California Probate Code and California rules of Civil Procedure.
 7. Other defenses – Respondent presently has insufficient knowledge or information on which to form a belief as to whether additional affirmative defenses may exist. Accordingly, Respondent reserves the right to assert additional affirmative defenses in the event discovery indicates they would be appropriate.

Respondent requests judgment as follows:

1. That the contest and grounds of opposition to the purported will be dismissed with prejudice and Contestants English and Noroyan take nothing by their actions;
2. That decedent's estate be admitted to probate and administered according to the will dated 11/02/12; and
3. That Respondent be awarded costs of suit.
